About AISECT University

AISECT University is located in a small town of Hazaribagh in Jharkhand. Hazaribagh gets its name from the words "Hazar" meaning thousand and "Bagh" meaning Garden and therefore it is known as the 'Land of Thousand Gardens'. We started our third University in Hazaribagh because of its stunning landscape and easy connectivity with rural Jharkhand. University philosophy is based on complete growth, ground-breaking work & researches and impactful engagement of all stakeholders. Our universities make every effort to provide a skill-based environment to each student.

The AISECT Group of Universities is India's prominent higher education group who believe in establishing global level but affordable universities at those places where there is dire need of quality higher education system.
