About AISECT University

AISECT University is located in a small town of Hazaribag in Jharkhand. We started our third university in Hazaribag because of its stunning landscape and easy connectivity with rural Jharkhand. University's philosophy is based on complete growth, ground-breaking work & researches and impactful engagement of all stakeholders. Our universities make every effort to provide a skill-based environment to each student.

The AISECT Group of Universities is India's prominent higher education group who believe in establishing global level but affordable universities at those places where there is dire need of quality higher education system.

Chancellor's Message

AISECT University has been launched with a vision to transform its students into competent, inspired and responsible professionals. The university aims to deliver not only world-class education in state-of-the-art facilities and infrastructure, but also an environment for holistic learning that will help groom students into confident and smart individuals.

The university will benefit from the wide range of industry linkages of the founding Education Group – AISECT. We are confident that final year students will receive ample opportunities for successful placements in reputed companies across India. We welcome all prospective students to visit the campus and interact with our staff. Come and join us in our effort to build a generation of exceptional individuals to help accelerate the growth of the country.

Vice Chancellor's Message

AISECT University is the leading private university for higher education in India. We train our students for productive, meaningful and successful employment. In terms of credentials, the university has a positive record of achievements like 'National Education Award for Most Innovative Private University 2019' and 'World Education Award for Most Emerging University 2019'.
